## **Information for competitors**

The Caledonian Club has a strict dress code. Please note, and advise any guests, that jeans, trainers and t-shirts are not allowed and the Club staff will refuse entry to the event.

Smokers are asked to make use of the Terrace at the back of the building – accessed via the bar, The Oval Room and at the exit nearest the ground floor gentlemen's toilets.

On the ground floor there are ladies, gentlemen and fully accessible toilets. Please refrain from using the basement facilities as these are reserved for tuning rooms.

For those attending The Bratach Gorm on Friday evening, doors open at 5pm, performances from 6pm and entry is free for all competing pipers.

At the back of this draw there is information on food and drink options within The Caledonian Club and nearby.
